# Cambridge Rindge & Latin School

*1995 Yearbook, Volume 10*

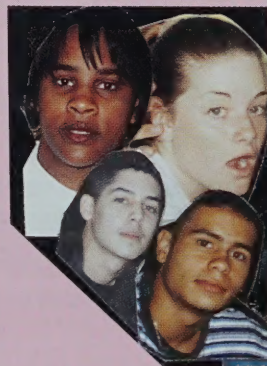

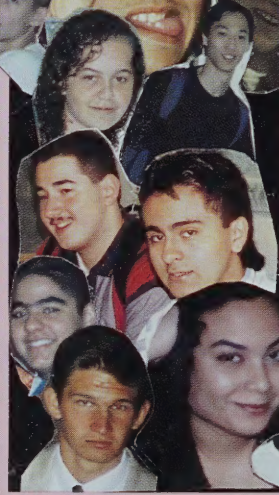

## KALEIDOSCOPE

We, the Class of Nineteen Hundred and Ninety-Five, would like to dedicate this YEARBOOK to all of the teachers, who over the past four years, have cared enough to dedicate their time to us before, during and after school, to help us achieve our goals. As Cambridge Rindge and Latin's graduating class we would like to thank all of you.

459 Broadway, Cambridge, MA 02138

## *The Meaning of Success*

That person is a success who has  
lived well,  
laughed often and loved much:  
who has gained the respect of  
intelligent people  
and the love of children:  
who has filled his niche  
and accomplished his task:  
who leaves the world better than  
he found it  
whether by  
a perfect poem  
or a rescued soul:  
who never lacked appreciation of  
earth's beauty  
or failed to express it:  
who looked for the best in others  
and gave the best he had.

— Robert Louis Stevenson

# *Rindge School Of Technical Arts*

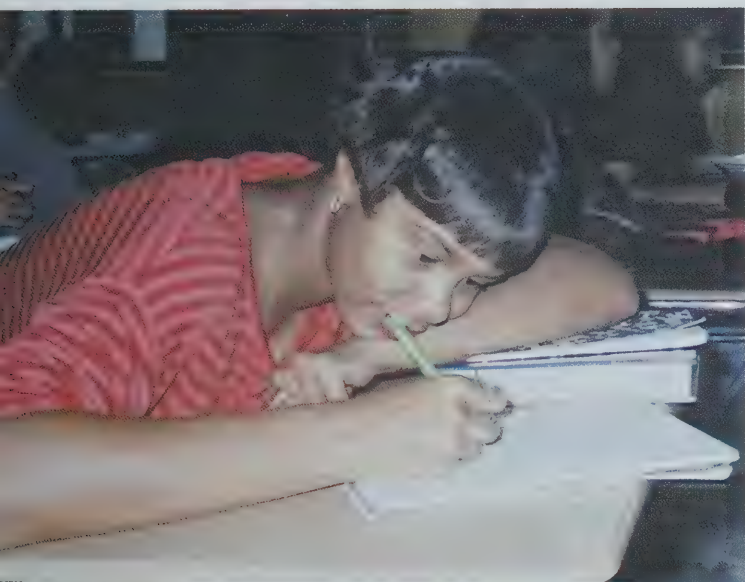

---

Established in 1888, the Rindge School of Technical Arts is the second oldest vocational program in the United States. Building on this rich history, Rindge is one of the first schools in the country to forge new directions for technical arts education. In our program, the mechanical arts merge with academic and fine arts. Students learn to use both their hands and their minds well. As a result, they develop an understanding of technology and its role in our economic and social history.

## Student Governance

People say it's the air up on the fifth floor that makes us different, but we know it is much more than that.

The principles Pilot stands for are Diversity, Human Relationships (community), Student Governance, and Learning. To us these were

more than just ideas they were our reality for the four years we spent here at

CRLS. The only thing we won't miss about Pilot is the long walk up all of the stairs.

Diversity and cross-cultural Education

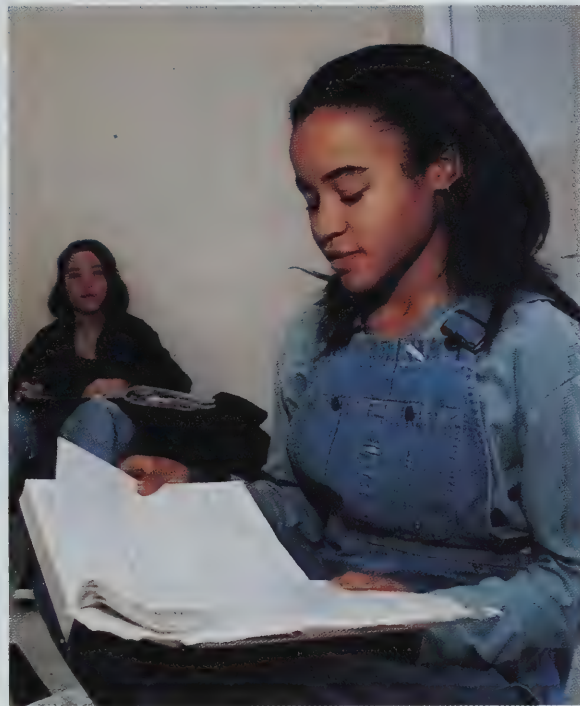

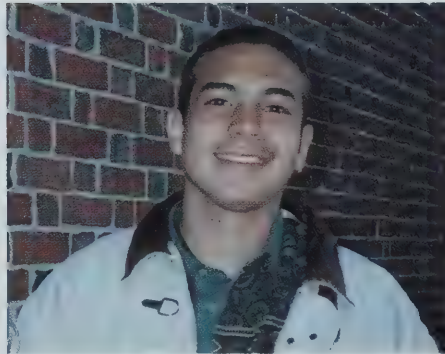

Human Relationships (community)

Learning  
Academic excellence

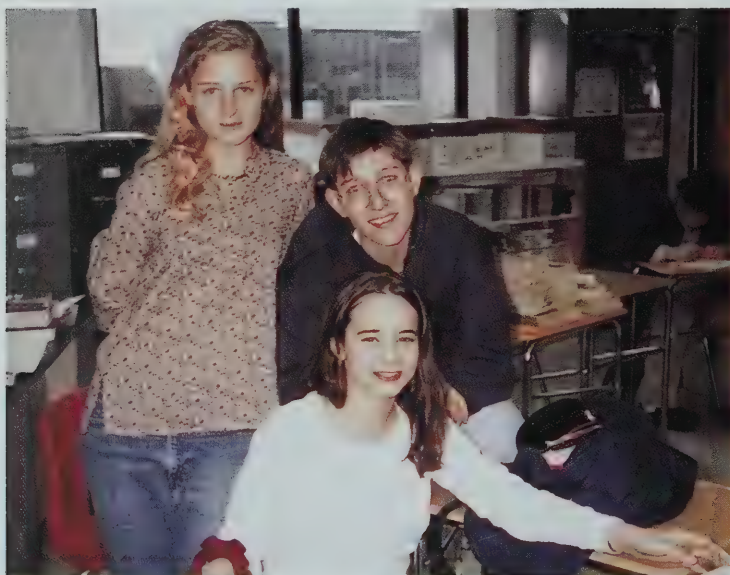

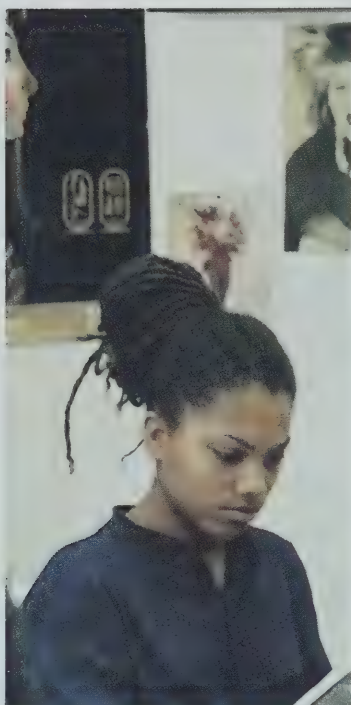

# *Pilot*

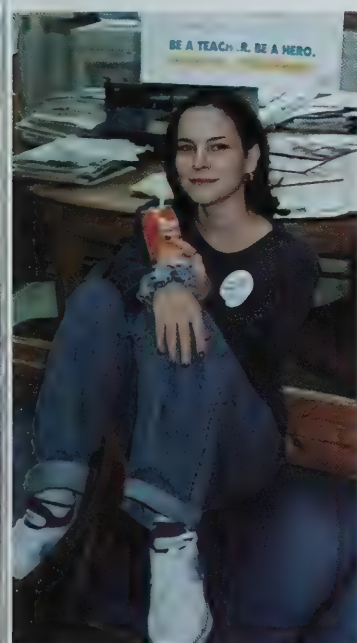

The **ACADEMY** at CRLS is, as we all know a very diverse community of students. We consider ourselves outstanding, in that we try projects like cooperative learning and team teaching. In our Program we have students from more than 25 countries and because of this, a rich heritage is produced.

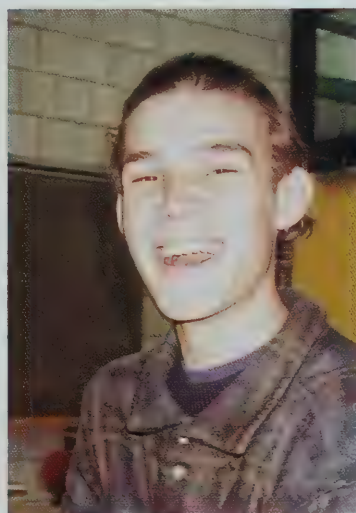

It's not hard to find great friends like Hua Ye and Nancy Marques. The **ACADEMY** is a great place to look for friendships that will last forever.

# Junior Class Trip

## Williamsburg, VA May 28-31, 1994

Our trip started bright and early on Saturday morning. After boarding our bus, we were on our way. We finally reached our destination after switching buses because of a broken air conditioner and VCR.

The next day we hit the rides at Bush Gardens. Some rode the coaster, while Anita, Melissa, Emma, Brianna, and Shabana stopped to get their picture taken.

Joe, Sharif, Matt, Gilligan, Jose, Roy, Kirk, and Peter posed for our photographer in Bush Gardens.

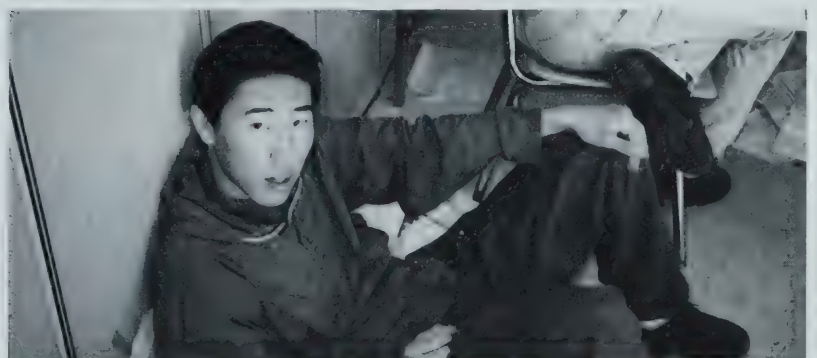

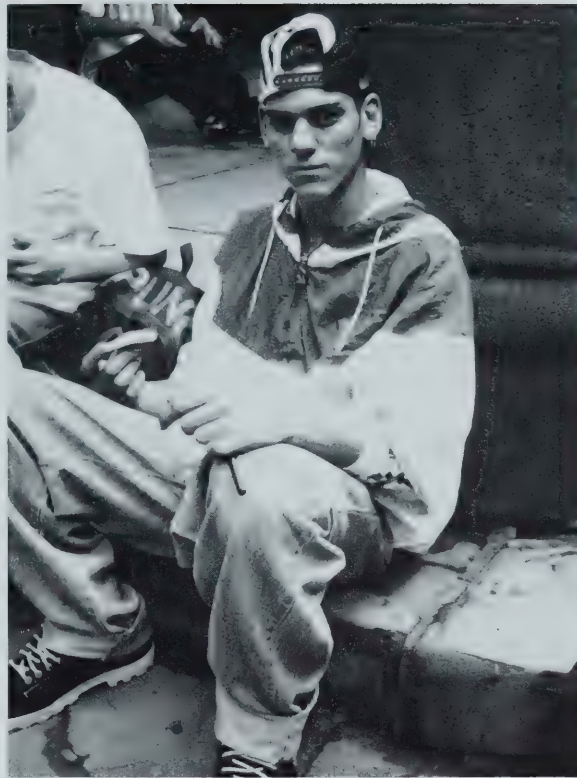

The "night club" wasn't that great! Xiamara, Geraldine, Tsigie, Stephanie and Sara had their own party. Dancin', dancin', dancin'!

Looking back on our last trip to Water Country, Geraldine, Jasmine, Suzette, Lydia, Alana and Ahsaki get ready for the long journey home.

# *Clubs*

---

Here at the Charles River Regatta, on a cold, crisp October Day, you find many members, including George and Jack, selling sausages, hot dogs, soda and hot chocolate.

Everyone in the Club has the opportunity to raise money to defray the cost of skiing by working some of the events. Its hard work but it's worth it. Here working the Bagel Bench are Amilcar Fernandes, Alejandro Roberts and Eniola Oluwole.

Getting a lift! Seniors going off to enjoy the day on the slopes at Butternut. Notice it's cold out and there's lots of snow. The more snow the better the skiing.

It's a great sport and what a better way to meet new friends. What's this . . . one of our members on the Bunny Slope. Oh! really.

Ski Club. Started back in the 70's with the Youth Enrichment Services of Boston, it is one of CRLS biggest Clubs. It sponsors numerous trips throughout New England every year and in addition there is also a trip to Canada. The ski club is a financially self-sufficient organization that raises money through various fundraising, one is selling bagels and juice every morning. The students not

only make enough money to defray the cost of the trips but also make it financially possible for all the members to be able to participate.

Because of the founder, Mike Krasnow, the Ski Club has awarded scholarships to graduating seniors members who best exemplify his vision and attributes. The Ski Club would like to congratulate the *Class of 1995*.

## ***CRLS Young Women's Commission***

The CRLS Young Women's Commission is open to all students, male and female, who are committed to exploring and discussing issues of concern to the multicultural community of young women at the high school. Throughout the year, we see films, hear guest speakers, write, laugh, talk, talk and talk among ourselves. We create and present an annual National Women's History Month assembly to celebrate young women's issues.

**Green Circle** is a program with two major goals:

- \* give high school students the opportunity to work in second and third grade classrooms
- \* teach second and third graders the importance of accepting differences and being inclusive. The program is based on three classroom sessions in which the importance of diversity is stressed. Through various activities and with a felt board as a visual aid, students learn the values of interdependence and cooperation. Here are the CRLS students who volunteer for this program.

New School Year Begins

## Students Welcomed Back; New Schedule Is In Effect

By Nancy Anne Pimentel '96

Welcome back! It's September again and summer is over. You know what that means: it's time to hit the books and get back to class. Everyone knows that it's also a time to learn if the new schedule is really going to work. The administrators and staff have worked long and hard to devise what they consider the most excellent choice for the new year. The schedule is as follows: a four day rotation period, mixing the eight classes into integrated segments of six per day.

Eager to test the idea out on students and teachers alike, the administration conducted a trial period for a simulation of the new schedule in June. This experience was viewed with mixed reactions by students and teachers. Some were not willing, some were anxious while others were eager to see what was really in store for them. The coming weeks will tell.

See below for sample schedule.

*Where the Sunlight Dies*

The soft embrace of dawn;  
it reaches out its shining hands.  
Too soon it will be gone,  
but now, the world it commands.

A lullaby is playing,  
a song that no one hears.  
Its words are softly saying  
"Why do all close their ears?"

A longtime lover's face  
is clear within my mind.  
I missed her patient grace,  
when I left her behind.

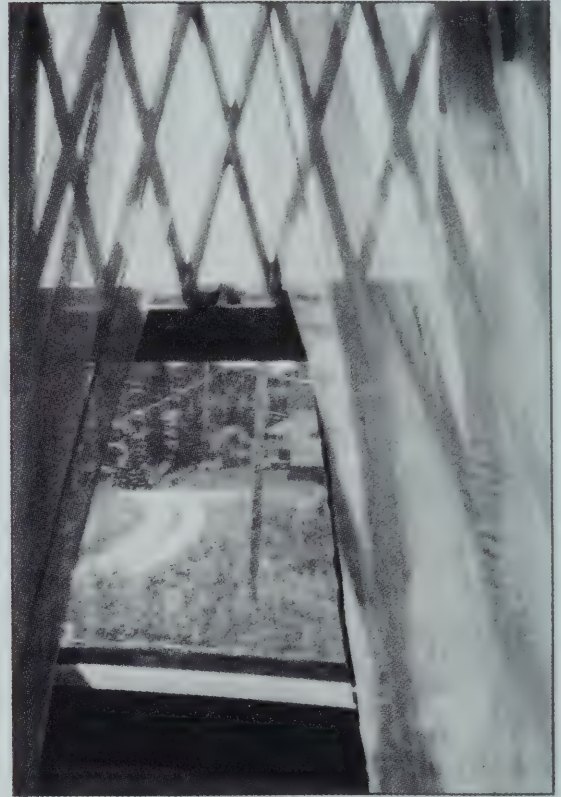

Silver colored flowers  
gleam red and gold with sunlight,  
and in the midday hours,  
I am too tired to fight

the sleepy summer breeze  
that coaxes me to always sleep.  
And when I take my ease,  
for me, no one will ever weep.

A pink and purple sunset  
reflects upon my eyes  
where land and sky have met  
and where the sunlight dies.

## CRLS Crew Club

From novice to competitive rowers, there's a place for everyone to row in shells of eight oarsmen, with a coxswain, up and down the Charles River. We row from early September until the Head of the Charles Regatta, the biggest single-day national rowing competition, held the third weekend in October. Then, we hang up our oars until April, when we brave the still chilly waters until school is out.

# Getting ready

Team work, that's what is all about as Steve Hall and the planning team is getting ready for Saturday's big performance.

Brian DeRocher and his crew worked very hard this year to make the CRLS Drama Festival a big success. At the time of the printing of this book our Drama Team was going to the finals.

# Maestro, please!

Music, Music, Music

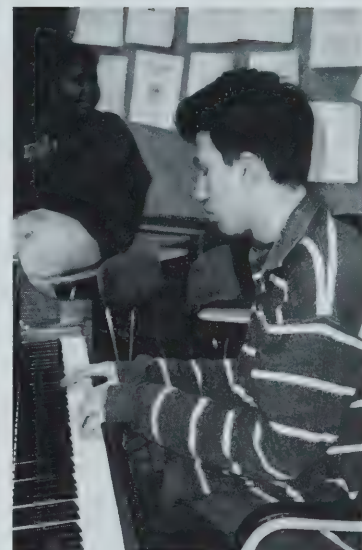

Bob Ponte conducting the Cambridge Rindge and Latin School Band at the football game.

You'll find CRLS music at its best whether it be the school band playing at a football game or the CRLS Jazz Ensemble doing a gig at the radio station.

On Teachers Appreciation Day, Jimmy Smith and the Music Department entertain the students and staff.

## Edward R. Sarasin Principal

When I was young and free and my imagination had no limits. I dreamed of changing the world. As I grew older and wiser, I discovered the world would not change, so I shortened my sights somewhat and decided to change only my country.

But it, too, seemed immovable.

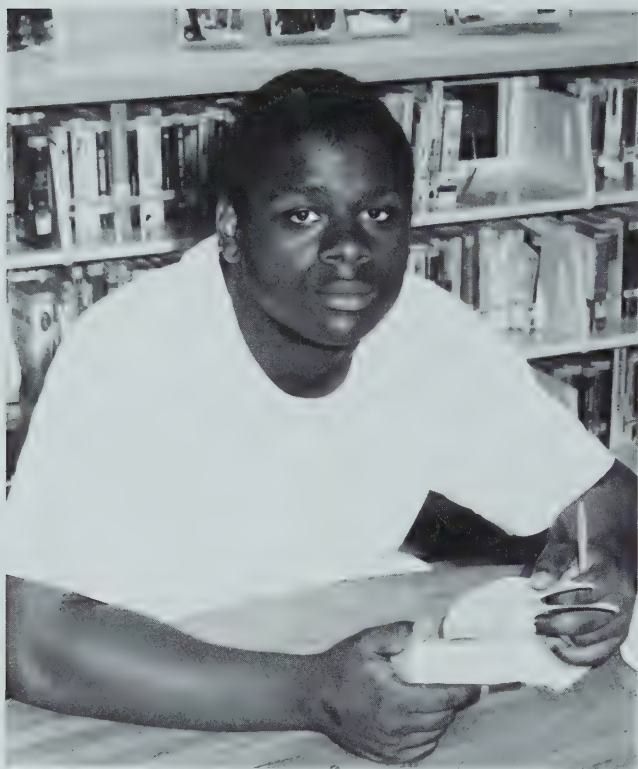

As I grew into my twilight years, in one last desperate attempt, I settled for changing only my family, those closest to me, but alas, they would have none of it.

And now as I lie on my deathbed, I suddenly realize:  
*If I had only changed my self first*, then by example I would have changed my family.

From their inspiration and encouragement. I would then have been able to better my country and, who knows, I may have even changed the world.

## *Career Resource Center*

"All this work to go to college, I should start now." A younger brother of one of our students is so overwhelmed after meeting and talking to one of the college reps.

It all starts here! Carole Gentile and Ginny McCabe, the twosome in the Career Resource Center that makes the College Fair happen.

Liam Case is in the Career Resource Center working hard preparing for the S.A.T.'s. He doesn't even look up for this picture.

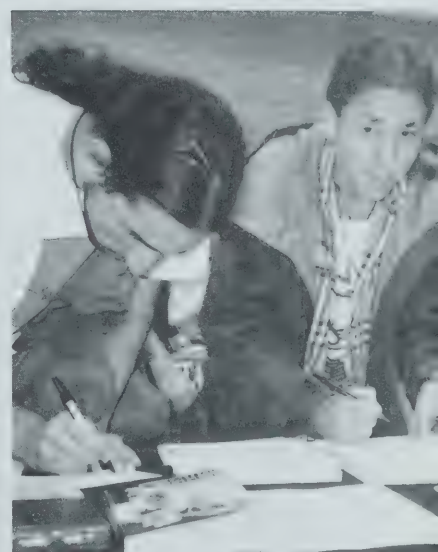

Kevin Mascoll of M.I.T. Talent Search and William Cooper listen to the representative from Fitchburg State College as Ezechiel Dort checks out what the school offers. Mervet Taha and Erica Posada sign their names for information to be sent to their homes. All are members of the Talent Search Program.

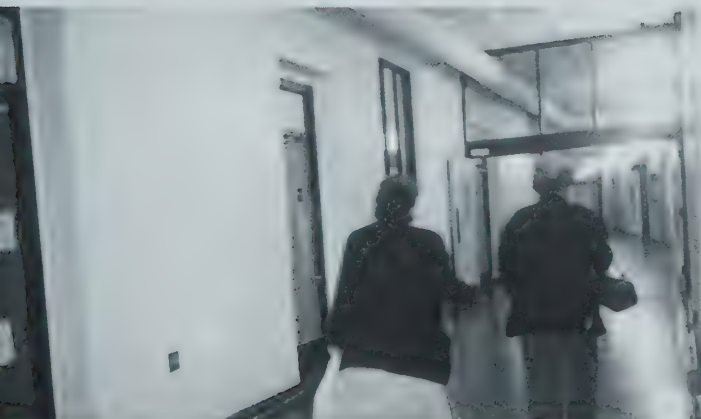

With Baybank Bags and the new 1994-1995 National College Directory *COLLEGE SCOPE* in hand, Paulo Oliveira, Paulo Frade and friend do their research.

Choices! Choices! Choices! Bart Lieb is one of many seniors who attended this year's College Fair.

College Fair 1994 at CRLS is one of the biggest held in this area.

Good job done! "Good nite, Carole" "Good nite, Ginny. Let's go home!"

Seniors Karlem Desir, Robert Vass, Frankie Pierre, Amber Bouboulis, Jarrod Jones, Geraldine Jones, Franke DeJesus, and Ishaq Jones are waiting for Ron Burton to speak.

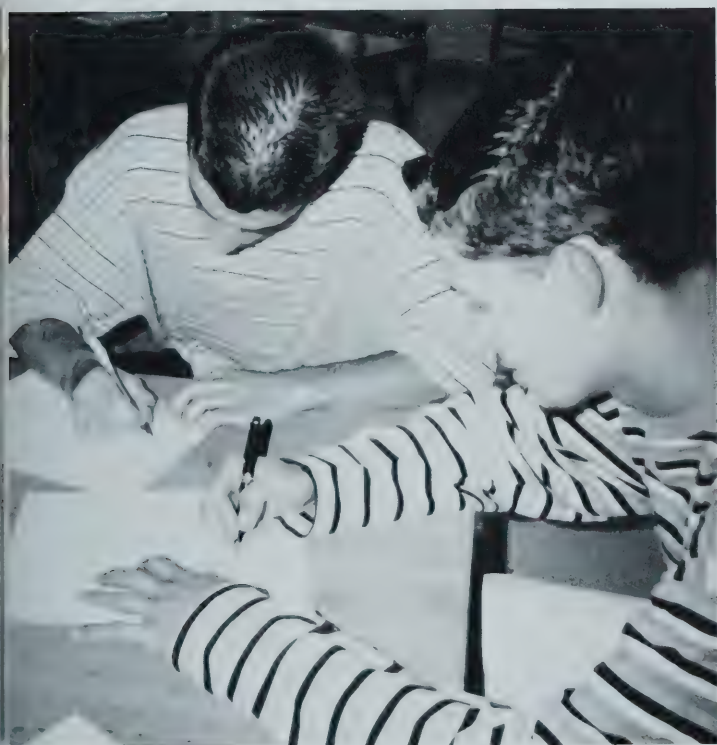

Cindy Silva, President, Linda Borges, Career Awareness, Nicki Ewing, Secretary — in the CRLS Bay State Career Association.

Students practice communications skill with guest speaker Beth Stacey from Katharine Gibbs School.

n Burton, former Patriot running back and presently at John Hancock Insurance and the JBSG Board Directors, speaks with Eric Farrell and Jason Kennedy about setting and achieving goals.

Arthur Barreira and Nuno Alves write their resumes.

***Jobs for Bay State Graduates,*** a non-profit school-to-work transition program, has 20 Chapters across the state, including one here at CRLS. Eighty-three CRLS seniors are taking this job-skills class that focuses on career awareness, social awareness, civic awareness and leadership skills.

Students discuss aptitudes, values and goals in a small class of about eight students. Resume and cover letters, interviewing, appearances, communication skills, and math computations are just a few lessons covered in class. The Bay State Career Association, the student-run part of the program has seven officers who plan for the whole program. Many of the guest speakers meet with seniors in school addressing relevant topics and motivate students to achieve goals.

The year culminates with a state-wide competition, the 15th Annual Career Development Conference, where students compete with hundreds of other JBSG students in events dealing with the job skills they learned in

# Mirror, Mirror

*Mirror, mirror on the wall,  
Eight years have passed, I thought I was done  
But now I know I've just begun  
It has to be typed? How many pages? These people are crazy!  
Hours and hours of homework tonight — I'm starting to feel lazy.*

*Mirror, mirror by the door,  
I just can't take this anymore!!!  
All of these frustrations pouring down,  
And evil temptations hanging around.  
Too many people, places, and things to do, but not enough time.  
English next, then gym. Darn, Mass House has a long line.*

*Mirror, mirror in the hall,  
I don't remember that at all,  
Or the first time my hands touched that orange door,  
Or trying to get across the bridge, or through the second floor.  
And what exactly did they say on Freshman Day '91?  
It doesn't matter, that's the past. Is my homework all done?*

*Mirror, Mirror in the sky,  
There's no ocean too deep, or mountain too high,  
I refuse to let my dreams just pass me by  
No matter how hard I have to try.  
Though throughout the years part of me had to die,  
The stronger parts have managed to survive.  
So with my mind strong, healthy, and alive.  
I now graduate with the Class of 1995.*
